AMENDMENTS

IN THE CLAIMS:

Replace the indicated claim with:

Sub  
steps:

20. Method for on-site preparation of a relief image comprising the following

- (a) laminating a material comprising, in the order given, a first peelable support, an image recording layer and an adhesive layer onto a UV-sensitive material comprising a support and a UV-sensitive layer, wherein the adhesive layer is laminated to the UV-sensitive layer;
- (b) image-wise exposing the image recording layer to form a mask;
- (c) flood exposing the UV-sensitive material through the mask;
- (d) developing the UV-sensitive material;
